

Dover Park Hospice is the appointed training provider for the Certificate in Basic Palliative Care Nursing for Registered Nurses course by Agency for Integrated Care (AIC) Learning Institute. Course fee subsidies are available to eligible Community Care organisations.

Course Objective

This seven-week part-time course, with clinical attachments, aims to develop participants' theoretical and practical knowledge in delivering competent, evidence-informed holistic palliative care in any healthcare setting.

Course Outline

The following topics will be covered:

1. Principles of palliative care and overview of palliative care services in Singapore
2. Palliative care needs of patients with advanced illness, cancers and non-cancers
3. Management of pain and common symptoms including common emergencies
4. Common psychosocial, spiritual and cultural issues in palliative care
5. Advance Care Planning
6. Basic end-of-life communication skills
7. Role of rehabilitation in palliative care
8. Management of complex pressure and fungating wounds
9. Care of the dying in their last hours including use of infusion pumps
10. Caregiver support, grief and bereavement
11. Six days of clinical attachment to inpatient hospice and homecare to consolidate learning

Target Participants

Registered Nurses who are involved in the provision of palliative care to adult patients and their families.
